

Tomorrow afternoon, Friday June 28th, the West Texas HIMSS Chapter will be hosting an Innovation Fair to showcase technologies and solutions implemented to improve healthcare across our region. There are great speakers lined up from multiple organizations to share how they put these innovative solutions in place.

Here is the schedule for tomorrow afternoon:

12:30 - 12:55 Sign in and mingle with our vendors and attendees

1:00 - 1:25 Standardization of Tumor Board Workflow & Augmenting CDS in Oncology

Presented by: Mario Rodriguez, BS / Graduate Student at UTHHealth School of Biomedical Informatics

1:30 - 1:55 Technology Innovation to Advance Evidence Based Practice

Presented by: Jenna Kesey, MSN, RN, FNP-BC, CWS | Clinical IT Manager

2:00 - 2:15 BREAK and Door Prizes

2:20 - 2:45 EDIE - Sharing Data to Benefit the Community

Presented by: Dean Smith, BBA (MIS), PMP, CPHIMS, CWS | Clinical IT Manager

2:50 - 3:15 Adoption Models - A HIMSS Perspective

Presented by: Justin Fair, MBA, CPHIMS | Lubbock HIMSS Chapter President

3:20 - 3:35 BREAK and Door Prizes

3:40 - 4:05 CareAware Connect - Optimizing Data Exchange & Transforming the Delivery of Care

Presented by: Carina Perez, MSN, RN | Nurse Informaticist

4:10 - 4:35 Telemedicine in West Texas

Presented by: Becky Jones, MSN, RN-BC, CPHQ | Program Manager for TexLa Telehealth Resource Center

4:40 - 5:00 Wrap up and final Door Prizes

Door prizes include an **Apple Watch**, **Wireless Ear Buds** and other items!

- Everyone who attends the event will be entered to win door prizes.
- Any chapter member who brings a guest will get additional opportunities to win door prizes.
- Anyone that joins our West Texas HIMSS Chapter on site will get additional opportunities to win.

Various vendors will also be present to share their innovative solutions. Vendors include analytics and solution consultants, digital signage and solutions focused on patient satisfaction/consumerism and security vendors focused on securing your environment. There will be light refreshments and snacks provided throughout the afternoon. This is a great opportunity to network and help grow the local community of healthcare IT professionals. It's a come and go event so come out and support your West Texas HIMSS Chapter.

If you haven't done so already...register for the event here:
